Notes												
Follow up notes												
None standard resources needed?												
Consider move to Placement system?												
Type of mapping	Specified outcome	Elective outcome	i.e. students determine when p	e. students determine when particular outcomes are completed								
Direct			Rubric consists only of outcome	bric consists only of outcomes from an outcome set as criteria								
Indirect			ubric has a number of Criteria assessing task performance, with some mapped to Outcomes from an Outcome Set (indicated on rubric)									
Dual Assessment			Students are assessed on task performance and on Outcome progress on two separate rubrics									
Title of outcome set [replace this text]												
Outcome set terminology (i.e. Domain / Standard / element) [replace this text]
